

# THE COLLEGE CLUB OF CLEVELAND

SEPTEMBER 2014

## *Letter from President, Judy Schneider*

I hope everyone is enjoying the August recess. I know I'll see some of you before the Club reopens in September when we help with parking for the Feast of the Assumption and/or on our cleaning day on the 21st. Your efforts are so important to the smooth running of the Club. In addition, we simply have a good time working together. It's also an excellent time to get acquainted with other Club members.

Our first luncheon will be on Monday, September 8, but some interest groups may begin the day after Labor Day. Check this newsletter for the schedule. I look forward to seeing everyone on the 8th and hearing about your August activities.

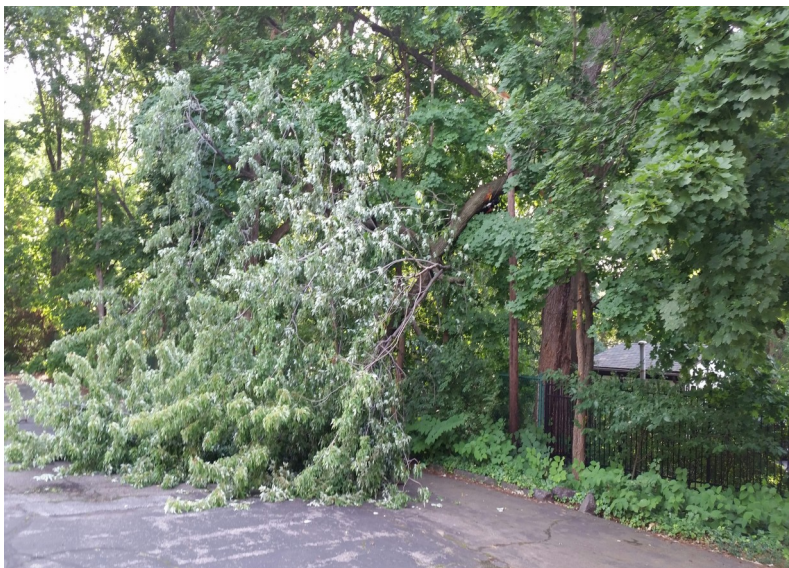

**As we begin this new year, I have a challenge for each of us. Consider your friends and neighbors. Is there some-**

**one who would make a great College Club member? If each of us could recruit just one new member, it would be great. Take a look at the upcoming programs each month. Perhaps someone you know would enjoy coming as your guest. That may spark their interest in the Club and our many activities and interest groups. If you have ideas to improve the Club, share them. Is there a committee where you can make a contribution? Please volunteer.**

Our Fall Fashion Show, Baubles and Bangles, will be held on Monday, November 10th. Toni in Style from Chagrin Falls will be the vendor. Toni's shows continue to be a favorite with our members and guests.

Enjoy the rest of the month and come back in September refreshed and ready to move forward.

*~ Judy*

A summer shower brought down the neighbor's tree. Earl's new car had been parked in this spot fifteen minutes before.

## Committee Reports from Board of Trustees Meeting July 20, 2014 – Compiled by Cyndi Kuntz

**In an effort to keep members informed, the following is a summary of committee reports from the board meeting.**

The board of 2013-14 met at the beginning and those going off the board were thanked for their untiring work for the club.

After a recess for dinner the board of 2014-15 was convened. Much discussion centered on the financial reports and the board's inability to understand how our accountant has structured the books. This will be looked into by a committee headed by Allan Kuntz, VP for personnel.

Facilities- Gutters have been cleaned and repaired after a hard winter, boiler inspected. Some furniture will be repaired in August. House clean up August 21.

Parking lot drains cleaned, pots have been replanted but the deer keep eating!!

Extensive trimming had been done. Over 20 hours of volunteer time has been given this month.

Fund Raising- We still need a Vice President for this committee. Interested?

!! Feast Parking August 14-17. Sign up for a time.

!! Fall Fashion Show November 10 Put it on your calendar

Future Committee- Progress is extremely slow. Interest has been shown on various fronts but no concrete offers have been received.

Marketing- Uptake on hits to our site so will continue to keep it up to date

Membership- Currently 85. Will continue to follow any leads. Do you know of some?

Personnel- Will meet with employees

Programming- Announced program topics for September. Find them elsewhere in the newsletter.

## A Celebration of Gardening - Sara Grey

“For me, as for many gardeners, we live for the rewards. Whether it be a juicy apple, ripe pear, luscious fig or plum, to a huge hibiscus flower, aromatic jasmine, or a healthy cup of herbal mint tea fresh from the garden these are all rewards we cherish. For us these rewards are worth the reading, for knowledge; the work, weeding, watering, feeding; to earn the reward; eating, smelling, or looking at our chosen goal, aka plant. It is literally what we live, hope, and pray for.

To those who do not garden these words sound odd, the fascination and thrill not understood. To a gardener, yes, it all makes sense. We habitually share our knowledge, our beloved plants, and our time with one another because plant people we are and plant people tend to be happy, caring people. Come join us, one and all. Pick up a shovel, a rake, a water hose and join us on our quest to plant a happier world. Or at least a world filled with, more, lovely flowers, magnificent trees, and delicious vegetable gardens.”

Bobby Allen has spent her summer toiling in the gardens at the Club along with a few friends... She has done battle with deer and rabbits and also the wind and the rain.

Thank you to all those who have given their time and their donations.
