OEA Board of Directors Policy 800.01  
(BIOGRAPHICAL DATA) requires that:

*"Space is to be provided on the back of the Declaration of Intent Form for NEA At-Large delegates for biographical data **limited to 35 words or less**\* and that the biographical data submitted by the candidates be sent to the district associations for distribution."*

In addition, the May 1986 OEA Representative Assembly delegates passed a New Business Item which states that the OEA include a copy of the biographical information submitted by candidates in the OEA and NEA At-Large elections along with the ballots sent to local associations.

The December 1992 Representative Assembly delegates passed a New Business Item which states that when the biographies of both OEA and NEA at-large delegate candidates are distributed to the local associations, they will include the name of the candidate's local (spelled out in full) and will have abbreviations spelled out in full (except NEA/OEA/district abbreviations).\*

**\*Any abbreviated committees will be spelled out in full and each committee will be counted as one word, i.e. DLAMC will appear in the biographical information as Doris L. Allen Minority Caucus.**

The following is an example of how the biographical profile should be structured:
