OEA Coronavirus FAQ

As part of OEA's commitment to monitoring the impact of COVID-19 on our members, we want to address the impact that the mandatory COVID-19 school closures may have on you, and provide you with ways to advocate for yourself during this public health crisis.

OEA is continuing to advocate with the Ohio Department of Education (ODE), the Ohio legislature, and leaders from other statewide education associations, for appropriate flexibility in the delivery of special education services. Additionally, OEA is working with the NEA to advocate for temporary flexibility at the federal level to ensure that all students can access the best education possible during these unprecedented circumstances.

OEA-FCPE House and Senate District Screening Committees

NEOEA-R—OEA-FCPE

NEOEA retirees are eligible to serve on OEA-FCPE House District Screening Committees. Retirees must be current OEA-FCPE contributors and can serve on the House District Committee in which they live or a neighboring House District.

If you are interested in serving on a screening committee, please contact Debbie Bernauer at the NEOEA office.

The OEA Fund for Children and Public Education (OEA-FCPE) is the political action committee of the Ohio Education Association. Voluntary contributions support candidates that support the Association's educational policy agenda. All screenings and decisions are made by members serving on the various committees.

The OEA-FCPE State Council works to implement OEA policies for the improvement of education in the State of Ohio by (1.) screening and endorsing candidates who are favorable to OEA legislative policies, (2.) collecting and dispersing funds for support of OEA-FCPE endorsed candidates, and (3.) establishing and maintaining communications with elected officials.

OEA-FCPE State House District Core Group Committees are made up of representatives from each local association whose school district serves residents of that House District. Each Committee screens candidates for its State House District Representative based only on questions related to OEA's education policy agenda. Senate District Committees are made up of the House District Committees within the Senate District.

NEOEA Summer Leadership Conference

Save the Date! Wednesday, July 22, and Thursday, July 23.

We have been working hard to continue to bring members high-quality training even during a global pandemic. We are working to offer you—via Zoom—eight sessions from the previously-planned Summer Leadership Conference. The best parts are you can do them from home, in your jammies, and they are all free to members. All sessions will be scheduled during the day on July 22 and 23. We will supply directives for logging in and joining a Zoom platform.

Separately, we will be hosting a Treasurers School for seasoned treasurers and for members new to the position. We’ll also have a Presidents School hosted by a number of local leaders and OEA staff. Retired former local treasurers and local leaders may want to upgrade their skills and offer to mentor nearby locals.

New Format for Summer Leadership Conference: We can only accept 95 members in each session, and we can only hold one session/choice at a time. You can select one session or up to all eight sessions—and all of it for free! If sessions reach capacity, the committee reserves the right to award space to active members. NEOEA Summer Leadership is for NEOEA members ONLY.

Be sure to mark your calendar so you don’t miss this great summer opportunity.
