Mentorship Program at KSEA

by Beryl Burkle, berylburkle@gmail.com

We are going to continue the Mentorship Program at Kent State University for the fourteenth year. We have had a successful program going virtual with the students these past couple of years. We contacted them by email, phone, and some of the facetime ventures. They have been very enthusiastic to have retired members as their professional friends. We are the only Mentorship Program that began in the state years ago that has survived.

You will not need to go to KSU during the year. They just want to have someone to listen to them and give them helpful suggestions. You all have expertise to share with them. Later in the year you will be invited to an online meeting with KSEA. KSEA is the student organization on campus for those majoring in Education. They have shown us how online teaching has been used with students and how to interview for a job. We were just observers, but it sure opened our eyes to how the world is changing.

We have been invited back this fall to continue our Mentorship Program at Kent State University, by their President, Eleni Karakostas. Eleni was elected this April for fall 2022-2023. She has been a Mentee in our program for 3 years. We are very proud of her leadership. She will be signing up those students that would like a Mentor as a professional friend in September. I will match

you with students that are in the same type of situation you retired from if possible. We have found that this is a great way to help new teachers into a profession that can be very rewarding in many ways.

To become a Mentor I need your name and grade levels taught or any other concentration (if that applies to you). You can call me at 216-905-7971 or email with any and all questions. WE NEED YOU! These students really appreciate a REAL teacher that they can talk to!

**Join us at Playhouse Square for
Waitress**

Featuring music and lyrics by Grammy Award@-winner Sara Bareilles (“Love Song,” “Brave”), *Waitress* tells the story of Jenna, a waitress and expert pie maker stuck in a small town and a loveless marriage. When a baking contest in a nearby county offers her a chance at escape, Jenna fights to reclaim a long-forgotten part of herself.
