October 2022—Election Issue

Hank Haynes, Editor

OEA Recommended Candidates

General Election Day is upon us, and it is more important now than ever that educators across Ohio turn out to the polls to make their voices heard and ensure pro-public education candidates are elected. **Please make a plan to vote on or before November 8th.** If you don't know where your polling location is, you can look it up at: <https://www.ohiosos.gov/elections/voters/toolkit/polling-location/>. Look up your current legislative district under the latest state maps at: <https://www.ohiosos.gov/elections/ohio-candidates/district-maps/>.

As part of your voting plan, we urge all OEA members to check out the list of candidates recommended by the OEA members who sit on the OEA Fund Screening Committee. **OEA Recommended Candidates** at <https://www.ohea.org/resources/all/ohea-candidate-endorsements/>.

Read the OEA September 7 press release, "OEA members recommend pro-public education candidates for statewide, legislative races," at <https://www.ohea.org/press-releases/2022/ohea-members-recommend-propublic-education-candidates/>.

It is important to note that OEA members across the state—not OEA staff—make all the endorsement decisions. In each race, candidates from both parties are asked to fill out questionnaires describing their positions on education issues, and those who are state officeholders are also rated on their education votes in the General Assembly. Candidates are then interviewed by OEA members who work in the district or area in which candidates are seeking office. Based on the candidate's views on public education issues—and only on public education issues—the OEA Fund State Council and District Screening Committees vote on whether to endorse specific candidates.

You can learn more about the OEA Fund and the screening process at: <https://www.ohea.org/resources/all/ohio-fund-faq/>.

Please support OEA Recommended Candidates.

- Contribute to the OEA Fund
- Find the candidate's website and contribute directly and/or volunteer
- Urge friends and family to support candidates that support public education.
