Know of Active Colleagues Retiring This Year?

Many NEOEA-Retired members keep in touch with colleagues still working in the schools. Please inform your active, but soon to be retired friends that OEA provides a one year membership to OEA-Retired at no charge when they head for the exit. In order for the membership to be activated, OEA needs to know of the retirement event. Although a member's retired status will be reported by their local during the annual membership drive when school starts, members may notify OEA to convert their status by contacting the OEA Member Help Line and providing details regarding their last work day as an active member and their non-school e-mail address to get a jump on Retired Membership.

Retirees in Northeast: Are You an OEA-R/NEA-R Member?

Although NEOEA-R and the first year of OEA-R membership is provided at no additional cost, membership in NEA-R and ongoing OEA-R membership is only available through enrolling in NEA-R and OEA-R Unified membership.

If you are retired and never enrolled in OEA/NEA Pre-Retired or have not yet joined NEA-R and OEA-R, now is the time with an OEA-R and NEA-R life membership. If you currently enjoy any of the NEA Member Benefits—credit cards, insurance, investments, discounts, etc.—you need to maintain your membership into retirement to maintain those benefits. Planning to substitute? NEA provides a \$1 million liability protection policy. OEA benefits are important, too! In retirement, you may need the

to Join OEA-R/NEA-R

Attorney Referral Program as you update legal documents. The Educator Access discount program will help you extend those precious fixed-income dollars. Stay in touch with professional development and your colleagues through NEOEA-R, OEA-R, and NEA-R newsletters, publications and workshops. In addition, your interests at the statewide level are represented by the OEA-R Advisory Council, a governing body committed to protecting and enhancing your STRS, SERS, and OPERS retirement and health care benefits.

Unlike other educator retiree organizations, we are the only organization of retirees affiliated with OEA and NEA.

Visit the OEA-R website for information on the various enrollment types, extended payment plans and OEA/NEA Pre-Retired membership to establish retired membership while service as an active servant in our public education institutions.

At the OEA May Representative Assembly, former NEOEA and Parma Education Association President **Jeff Wensing** was elected President of the Ohio Education Association.

Current OEA President **Scott DiMauro** will be retiring and Jeff will be joined by OEA Secretary-Treasurer **Rob McFee**, a former local President of Willoughby-Eastlake and NEOEA and former local President and Sylvania Education Association member and former local President **Dan Greenberg**, who was also elected to a three-year term as Vice President. Both Jeff and Dan will take office on July 15, 2025.

Congratulations are also extended to “**Ship**” **Collins** of Orange TA on his election to the NEA Director position.

Airica Clay has been named the organization’s new Executive Director, effective July 1, 2025.

A proud product of East Cleveland public schools, Clay brings invaluable experience in collective bargaining, advocacy, organizing, as well as labor and employment law to her new role as OEA Executive Director.
